EXPERIENCE

2022 – 2025

**Puratech Solutions
(India) Pvt Ltd**

UI UX Designer

I worked as a UI/UX Designer at Puratech, focusing on web application design and development, festival posts, social media posts, mobile apps, product introduction video presentations, PPT designs, product workflow architecture designs, etc., using **Photoshop, HTML, CSS, JavaScript, and Bootstrap**. It is a BFSI product-based company that provides banking and finance solutions to top banking clients.

2019 – 2022

**MobiSoftseo
Technologies**

Graphic & Web Designer

My work included designing a variety of materials for clients, such as visiting cards, websites, social media posts, and festival posts, at a company providing comprehensive digital solutions like websites, mobile apps, and software. I designed these using **Photoshop, Figma, HTML, CSS, and Bootstrap**.
